COMMERCIAL PROPERTY PROGRAM

Features & Benefits

Catastrophe (CAT) Claims Management.

MSIG USA is there to help you manage the unexpected. Receive immediate assistance, 24/7/365, when conditions threaten the welfare of your business.

Collaborative Team Approach.

A dedicated team of experienced claims adjusters, underwriters, risk engineers, and marketing specialists manages your commercial loss exposure and works cooperatively to provide personalized claims resolution.

Experienced National Service Partners.

To streamline each phase of the claims management process, we have established long-standing relationships with appraisers, adjusters, cause and origin experts, forensic accountants, and legal advisors.

Subrogation Services.

Once your claim is underway, MSIG USA subrogation specialists work diligently to recover loss dollars, deductibles, and other expenses owed to you. The effectiveness of this subrogation process allows us to contain costs for our insureds.

Time Element Coverage.

Commercial property damage can interrupt the daily function of your business. MSIG USA partners with internationally recognized forensic accountants to assess profit and loss while determining the cost of rebuilding facilities, replacing equipment, and maintaining business continuity.

Electronic Claims Tracking.

In many cases, our clients have the option of submitting and tracking property claims electronically. View real-time claim information, submit supporting documents, or check the status of your claim in just a few clicks.
